Treasure

My Stewardship of Treasure

How do I determine for my family what is an appropriate return to God for the blessings he has given us? In our parish we have many ministries worthy of your support. Your treasure helps these ministries to flourish as we live out the call of Jesus. It helps to keep our doors open for you by paying utility bills, liturgical supplies, ministry supplies and supporting your Priest's and staff.

When you register with the parish you receive donation envelopes to assist you with your contribution, or you can contribute online. The online site is also set up to receive contributions for special collections, faith formation registration fees, Holy Days, Lumen Christi and more.

Online Giving: Simply click the "Online Giving" link on the parish webpage: www.stbenedictsak.com or through our [myparish app](#).

Please contact the office if you need assistance.
